15 Point Finger Road, Paget DV04

### **Associate Dentist**

We are seeking a detail-oriented general dentist with excellent interpersonal skills to join our experienced dental team. Applicants will be responsible for the oral health and well-being of our patients and will perform procedures to diagnose and treat cavities, cracked or fractured teeth and oral diseases on patients of all ages. Confidence in administering anesthetics and successfully carrying out tooth extractions, root canals, and other surgical procedures as well as all other major restorative work is necessary. Applicant should be certified in Invisalign. Experience in implant dentistry is advantageous but not essential. The applicant must accept full responsibility for evening, weekend and holiday on-call emergencies. If you believe you possess the experience and skill to maintain the standard of care we require, please send your cover letter, resume, a copy of your practicing license and current CPR to [manager@toothworxbda.com](mailto:manager@toothworxbda.com)

**Start date: April 24th, 2023   Closing date: February 24th, 2023**
