

Got fire in your belly?

The only company of its kind in Bermuda, Expertise helps employers and job seekers achieve greater success by providing a full range of recruitment search, HR, immigration and payroll services.

Applicants of ***all experience levels*** are invited for the following roles:

Recruitment Consultants

If you are employed by a recruitment agency and have a strong track record of success building relationships with clients and making placements, we want to talk to you about taking your career to the next level.

HR & Immigration Consultants

To help serve the HR and immigration needs of employers that outsource their HR function to us, we want to hear from HR professionals from Director to entry level. Those with 5+ years experience are needed ASAP.

To be hired, applicants need to demonstrate excellent performance in previous roles and a keen desire to grow professionally and personally. All enquiries will be held in strict confidence and responded to personally.
