

# DUNKLEY'S

## **Mechanical Engineer & Vending Technician**

Dunkley's is seeking a reliable, organized, and enthusiastic team player who can work on their own initiative in a busy and diverse work environment. The Mechanical Engineer/Vending Technician reports to our Chief Engineer, and responsibilities include but are not limited to overseeing maintenance and repair on our vending machines, coolers and beverage dispensing equipment, in addition to assisting with repair and maintenance to our production facility and fleet. Normal working hours will be Monday through Friday from 8:00 am to 5:00 pm, but the candidate must be available on call for emergency repairs outside of normal working hours. Proven experience in a production environment is required. Experience working with vending machines and beverage dispensing equipment is preferred but not required as training will be provided.

Dunkley's offers a comprehensive benefits package with remuneration commensurate of the candidates experience and qualifications. Dunkley's is an equal opportunity employer.

Interested persons should fill out an application at our main office at 4 Vesey Street, Devonshire. Tel: 292-1310. References that can speak to the candidate's experience are required.

Closing Date: March 6, 2023
