EQUIPMENT MECHANICS

Island Construction Services Ltd. are seeking experienced mechanics with at least seven (7) years experience to work for a busy excavating firm. Ability to repair and service various types of diesel and gas heavy construction equipment, including general welding, painting and bodywork. Please apply with at least 2 references from supervisor(s) in the industry confirming abilities.

FABRICATOR/WELDER/PANEL BEATER/SPRAY PAINTER

We are inviting applications from suitably qualified persons who possess a minimum of five (5) years' experience in automobile bodywork repair which must include previous experience working light vans, trucks and heavy equipment. Applicants must be fully conversant with all aspects of metal fabrication, welding (to include: welding, mig/tig welding, and plasma cutting), panel beating and paint spraying. Applicants must be able to demonstrate that they can achieve a high standard of finish work in all aspects of automobile body repair. It would also be an advantage for applicants to possess a reasonable understanding of basic vehicle mechanics.

The position requires the successful applicant to be flexible and willing to work extended hours. In return an excellent remuneration and benefits package will be offered.

HEAVY EQUIPMENT/DIESEL MECHANIC

Applicant must have a minimum of five (5) years' experience working for a busy excavating firm. Applicant must have equal experience with and be able to safely operate all equipment; including but not limited to diagnostics, computers, electronics and hydraulics equipment.

HEAVY EQUIPMENT OPERATOR/LANDSCAPE GARDENER

Applicant must have a minimum of five (5) years experience operating Heavy Equipment Machinery, such as Excavators, Payloaders, Crushing and Sifting Equipment, Forklifts, and Unloaders. Experience operating Hydraulic Cranes is an asset. Applicant must also have knowledge in all aspects of excavating and demolition. Applicant must be experienced in all areas of landscaping, including but not limited to seeding, fertilizing and planting.

Applicants for the above positions must be reliable and punctual. *Island Construction Services Ltd. has a strict drug and alcohol policy and all applicants must be willing to submit to a pre-employment drug test.*
