

THANK YOU

The Hamilton Seventh-day Adventist Community Service Department takes this opportunity to send a huge thank you to the businesses, community members and many volunteers who contributed either time or monetary donations towards their recent annual Christmas Hamper Distribution. We were able to assist many individuals and families during the holiday season. We realize that this was successful because of your generosity. We appreciate your support and wish you all the best for 2011.

“Helping people is our concern.”

Melvin Musson
Hamilton SDA Community Service Leader
