Specialist Electrical Fitters (3)

Bermuda Electric Light Company Limited (BELCO) is pleased to invite applications for Specialist Electrical Fitters in the Energy Delivery, Operations Group.

Job Description: Required to erect and maintain switchgear and other substation equipment, in particular switchgear up to 34.5 kV. Must also be able to locate and repair faults, check voltage and loads, test and commission various types of transmission and distribution equipment. Additionally, Specialist Electrical Fitters will be expected to supervise apprentices, as well as other fitting team members as required.

Education and Experience Requirements:

- Certificate of completion from an accredited apprenticeship programme or equivalent training with a recognized electrical manufacturer or utility company
- City and Guilds of London Institute Part II Certificate or equivalent (BTEC, NC, NVQ Level 3 or equivalent)
- Minimum of 5 years experience in the installation and maintenance of electrical equipment, preferably with an electrical utility
- Highly motivated
- Team player
- Excellent verbal and written communication skill
- Computer experience preferred

Please apply in writing by Tuesday, March 22, 2011 to:
