

SENIOR MANAGER

KPMG Advisory Limited in Bermuda serves an international client base. The advisory team can help businesses address the most complex challenges by drawing on resources and skills across its global network. We are looking for a senior manager to support us in maintaining our reputation as a leader in advisory services both in Bermuda and globally.

The role will involve taking a lead in managing a diverse portfolio of engagements involving multi disciplinary project teams and will focus on delivering:

- Acquisition due diligence
- New-start feasibility assistance
- Run-off strategy reviews
- Implementation of schemes of arrangement
- Restructurings and liquidations
- Commutation support and negotiations
- Process reengineering and operational improvement
- Business integration
- Compliance and risk management
- Project management

This role will give you exposure to a broad range of international insurance and reinsurance companies and to a challenging and diverse work environment.

The successful candidate will need exceptional management abilities, the ability to work with multi disciplinary project teams across a broad client portfolio and may involve working in different jurisdictions.

Candidates will need to be appropriately qualified with a proven background gained in insurance or reinsurance with excellent business development and client relationship skills. Your experience of working on complex engagements within multi-jurisdictional teams will accompany exceptional presentation skills.
