

Wind River Reinsurance Company Ltd.

TREATY REINSURANCE UNDERWRITER

Wind River Reinsurance Company Limited is seeking a Treaty Reinsurance Underwriter. This is a new role with the company and is not being advertised in conjunction with a work permit renewal.

The role reports directly to the President of Wind River Reinsurance.

The successful candidate will have an in depth knowledge of the U.S., Bermuda and international reinsurance and insurance markets and will serve a critical role in developing and managing certain aspects of the company's underwriting functions including marketing, submission review and evaluation, risk selection, product development and client service and support.

Duties & Responsibilities:

- Assist in developing and implementing detailed business plans for realizing the company's business production and profitability goals including specific underwriting, pricing, retention, service and expense measures.
- Produce, underwrite and manage aspects of the company's worldwide portfolio of assumed treaty reinsurance business with a focus in U.S. specialty and excess and surplus lines of business.
- Develop and maintain client and broker relationships.
- Assist in the implementation of underwriting and risk management systems/controls to monitor and evaluate the performance of the company's business portfolio and associated risks.

Qualifications, Skills & Experience:

- University degree in business or related field.
- Minimum of seven years' underwriting experience to include prior successful experience in the functions noted above.
- Experience managing, training and mentoring staff and line underwriting personnel.
- Ability to interpret key actuarial information relative to the underwriting process.
- Demonstrated personnel and process management skills.
- Strong interpersonal skills with the ability to interact and develop significant relationships with senior executives of insurers and treaty reinsurance brokers.

Travel and the flexibility to work overtime at short notice are expected for this position.
