

# Assurance Experienced Associate

At PricewaterhouseCoopers Bermuda you will be challenged by the work we do and by the fast-paced nature of our clients. Your ideas will be valued and your individuality will be recognized. We encourage you to consider a career in our dynamic environment and allow us to help you realize your goals.

PricewaterhouseCoopers Bermuda has a number of excellent opportunities for experienced associates in our Assurance Line of Service.

## *The role:*

Working in a team of focused accounting professionals and reporting to the Assurance partners and managers, responsibilities will include:

- Taking an active role in the delivery of high quality assurance services to a range of clients;
- Working closely with experienced engagement managers and senior associates, you will be involved in a variety of engagements from initial planning through to the execution and completion phases of our audits;
- Assisting in the drafting and interacting with clients in relation to key audit deliverables (significant matters, internal control recommendations, etc.);
- Responsibility for conducting technical research; consultations with specialists, where necessary; and for drafting the documentation of significant matters related to your assigned areas;
- Designing appropriate audit procedures and tailoring audit steps as necessary; and
- Regular and effective day to day interaction with client staff ensuring that organizational and technical matters are handled efficiently.

## *Essential skills, experience & attributes:*

The candidate must possess the following skills and experience:

- A Bachelor's degree in accounting;
- A Masters degree with specialization in accounting from an accredited university;
- A minimum of 12 months work experience at a public accounting, or equivalent service organization; Must have written, or be scheduled to write all 4 CPA exams and/or the CA UFE within the next 6 months;
- You should be familiar with an internationally recognized basis of accounting such as US GAAP, IFRS, Canadian or UK GAAP;
- Strong working knowledge of Microsoft Office applications, including Word, Excel and PowerPoint;
- Highly organized, dedicated and self motivated;
- Excellent proven interpersonal and time management skills; and
- Strong communication skills are essential, as is the ability to work both independently and as a member of a team.
