

## **PATERSON CONTRACTING LIMITED**

### **HANDS-ON SUPERVISOR & SKILLED FINISHING CARPENTERS**

Paterson Contracting Limited is looking for an experienced and qualified skilled finishing carpenter to supervise and work on major commercial projects.

The successful applicant will be responsible for:

- Overseeing and supervising a construction team working on multiple projects, particularly commercial interior fit-outs;
- Liaising with clients and their professional representatives;
- On-site problem solving with little or no supervision;
- Supervising projects from start to finish in accordance with work schedules; and
- On-site finishing carpentry, joinery, drywall installation and specialist millwork.

All applicants must be suitably qualified as skilled carpenters with a minimum of 8 years' experience in the construction industry including at least 4 years' experience in a supervisory position.

Applicants must have the ability to work under pressure to tight timelines, and to complete projects on schedule and on budget with the minimum of supervision.

All applications for the above position must be submitted in writing by no later than Monday, 11<sup>th</sup> April, 2011, addressed to: **General Manager Paterson Contracting Limited P. O. Box HM 3074 Hamilton HM NX**
