

WOODFELLOWS LTD. is seeking to employ a
TOP GRADE SHOP CARPENTER for the construction of high-end
architectural millwork.

Applicants must be capable of producing staircases, doors, cabinetry, curved and straight
mouldings, etc. for commercial and residential contracts.

They must have good hand tool skills and working experience with modern machinery, be
tidy in their appearance and work area and have own transport. A knowledge of wood
finishing would be an asset. Applicants must be punctual and willing to work long hours
when necessary to meet deadlines.

Only genuine top grade carpenters capable of high-end work need apply.
Serious inquiries only.

Please apply in writing only to:
Woodfellows Ltd., P.O. Box HM 702, Warwick WK BX. Closing date April 12, 2011.
