

bp The Bermuda Press Ltd.

requires a qualified

Bindery Technician

Ideally with a recognised bindery trade certificate, the person must be capable to set up and execute the running of a variety of bindery equipment, including Muller-Martini saddle stitcher and Polar Guillotines, Macey Multibinder, Stahl Folder or equivalent equipment, in the production of high quality binding to tight deadlines.

Must have an aptitude for problem solving, and be willing to work overtime when required.

Experience to include scheduled maintenance and repairs to all bindery equipment.

At least 5 years experience in this field is essential to meet the requirements of the position.

Interested persons should apply in writing only,
with resumé and references by 10th May 2011 to:
