

GAM

GROUP FINANCIAL CONTROLLER GAM LIMITED

GAM's funds and strategies cover a broad range of asset classes, currencies and market conditions. It has long experience of hedge funds and funds of hedge funds. With rigorous attention to detail and client-friendly technology, GAM provides excellent service to its clients. It manages some CHF 53.1 billion of clients' assets and has a global presence with offices in key financial centres. Established in 1983 by its visionary founder, Gilbert de Botton, GAM was owned by UBS AG from 1999 until December 2005 when it was acquired by Julius Baer Holding Ltd. In October 2009 GAM became part of GAM Holding AG, an independent asset management business, listed on the SIX Swiss Exchange. GAM continues to have a distinctive style and culture.

The successful candidate will report to the Chief Executive Officer.

KEY TASKS WILL INCLUDE:

- Advise the CEO on corporate financial and taxation policy and strategy.
- Develop and implement financial systems and procedures to ensure that all financial activities are at all times conducted in compliance with the applicable requirements of regulators, including those of the revenue authorities in each jurisdiction.
- Direct and maintain financial and management accounting functions that accord in all respects with professional best practice and support the business strategy.
- Ensure the effective systems of internal control are in place and regularly tested.
- Oversee preparations for external audit and cooperate with the auditors appointed by the Board of Directors.
- Establish and operate effective budget preparation and monitoring systems in regular challenge and review meetings with management.
- Establish and maintain on behalf of the CEO procedures to ensure that revenue expenditures and capital investments by management are prudent.
- Advise management on financial and budgetary issues.
- Advise and develop procedures for cost monitoring and containment.
- Manage tax risks of the Group.
- Undertake various ad hoc projects as directed by the CEO.

It is envisaged that the successful candidate will have strong experience of finance management within the UK and Switzerland investment management sector with proven knowledge and understanding of offshore funds, including hedge and multi-manager funds, UCITS, and OEICs, portfolio management and fund administration. The candidate must be a qualified Accountant with proven success in heading up a finance function for an international organisation.

A competitive basic salary together with bonus and benefits package will be structured in order to attract candidates of the highest calibre.
