come first.

About Us – A leading player in the retail insurance sector; the Colonial Group, with over 280 employees and offices in Bermuda, the Bahamas, the British Virgin Islands and the Cayman Islands, offers a complete range of premier financial and insurance services to our individual and corporate clients. We know that our products make a real difference to our clients and their families.

The Role – Reporting to the Chief Operating Officer - Health, you will be responsible for the day-to-day management and oversight of the key operations of Colonial Medical, Bermuda to ensure that they are performing effectively. Working closely with customers and colleagues in all areas of our Medical business you will provide support and management of insurance related matters. You will be responsible for identifying and initiating new opportunities and solutions, as well as improvements to processes and integration of these into our growing portfolio of business. In addition, you will be expected to undertake project work and other duties within the Company as may be assigned from time to time and across the Colonial Group of Companies as may be required.

The Person - Credibility with clients, staff and colleagues is paramount, so you must be able to demonstrate the ability to work with a diverse group of people from a broad business perspective. With a strong background of managing a health insurance portfolio, you will be responsible for supervising staff on a range of complex issues. A university degree in a relevant discipline along with a relevant medical insurance qualification and at least 10 years' senior management experience as part of the senior management team of an organization is essential. In addition to effective operational service-delivery in medical insurance focusing primarily on employee group benefits, you will also have a good knowledge of on-the-job staff development and mentoring as well as a good understanding of people. A good organizer; with the ability to get the job done, you are an inspiring team leader and player who has excellent interpersonal, communication and of course, presentation skills. The ability to work extended hours and travel periodically along with a track record of meeting or exceeding business objectives is required. It's a passion for medical insurance, sharing your knowledge, people skills and doing the right thing that we seek primarily.

The Benefits – We offer an attractive salary and benefits.
