

GULF STREAM CONSTRUCTION LTD.

Our client Gulf Stream Construction Ltd. requires the following personnel to be able to maintain solid customer relationships, effectively oversee staff, demonstrate a strong commitment to the company, and perform work on all levels with no supervision.

SITE FOREPERSON

The Site Foreperson is expected to supervise all staff and will include coordination of all direct trades and sub-contractors. Applicant must have the capability to order materials and equipment as and when required, including delegating work effectively and ensuring that procedures are followed.

Applicants should have experience with construction schedule software and be proficient in setting out. Excellent communication skills both written and oral are necessary, as the candidate will be expected to liaise with architects, building inspectors, engineers and clients, striving to identify and meet their needs efficiently and effectively while maintaining high professional standards.

The successful candidate will be expected to work on his/her own initiative and must have 3 years experience in a similar position and have worked on both residential and/or commercial construction builds.

MASONS

Applicants will assume all responsibility for work flow processes and have experience in the areas of laying block, plastering, slating, plastering ceilings, placing and finishing concrete slabs and layout.

Additionally applicants for this position must have a minimum of 5 years experience, be able to work with minimal supervision and identify major problems to discuss with managers before making decisions.

Applicants for the above positions must be willing to work early mornings, evenings, weekends and some public holidays. It is expected that successful candidates be punctual, have own transportation and demonstrate a high level of integrity. Only those seeking a permanent position need apply. Candidates will be subject to random drug testing and a police check.

Gulf Stream Construction Ltd. is an equal opportunity employer

Applicants are encouraged to apply in writing with a detailed resume and 2 references to:
