VICE PRESIDENT – PROPERTY UNDERWRITER

The successful candidate will be responsible for the management and growth of a portfolio of primary property business by exercising proper underwriting discipline and by marketing and servicing existing and potential insureds. This position will report directly to the Senior Vice President, Bermuda & International Global Product Line Manager, Property.

Responsibilities Include:

- Manage an existing portfolio of primary property business
- Develop new business opportunities that are compatible with our corporate business plan.
- Evaluate property manuscript forms to ensure compliance with corporate standards.
- Evaluate loss prevention reports to aid in risk selection
- Willingness to travel and work weekends and holidays if necessary
- Manage catastrophic risk accumulation exposure models
- Assist the Claims Department on policy and coverage interpretation
- Create and manage departmental budgets both for production and expense controls
- Provide training and mentoring to all direct reports
- Liaise with other divisions within the organization to assist in the achievement of department objectives

Education, Skills and Experience:

The successful applicant will preferably have the following:

- University degree in Business or equivalent experience
- Specialized courses in Risk Management and Insurance, as well as progress towards an ACII or CPCU designation
- Minimum ten years underwriting risk managed and large commercial primary property accounts
- Minimum five years experience dealing with the London primary property market
- Strong understanding of London forms and North American property manuscript wordings
- Excellent marketing, negotiating and presentation skills
- Experience in managing and leading an underwriting team
- Strong ability to multi-task
- Sound analytical loss prevention skills
- Skilled in Microsoft Office Word and Excel, PowerPoint and other office software
