

Tax Managing Director

At PricewaterhouseCoopers Bermuda you will be challenged by the work we do, and the environment in which our clients do business. Your ideas will be valued and your individuality will be recognised. We encourage you to consider a career in our dynamic environment and allow us to help you realise your goals.

The role:

Reporting to the Tax Partner

- In conjunction with the Tax Partner, provide leadership to the US Tax team in Bermuda and in other offshore jurisdictions as required;
- Deputize in the absence of the Tax Partner;
- Ensure tax services comply with major US tax and business regulatory policies and risk management controls aimed at satisfying independence, regulatory and other critical business requirements;
- Lead business development initiatives through strategic planning, business presentations and communication with key players in the business community;
- Function as the quality and risk management leader for the tax practice;
- Lead the US Tax team in the planning and execution of significant tax activities and related projects;
- Provide ongoing guidance and advice to the tax team;
- Coach, mentor and develop Tax team members providing timely feedback;
- Develop and maintain strategic client and PwC Global network relationships; and
- Develop, monitor and analyze revenue projects and review against performance.

Essential skills, experience & attributes:

The candidate should possess the following skills and experience:

- A minimum of 20 years U.S. taxation work experience at the senior management level with an international accounting firm or international law firm specialising in U.S. and international taxation;
- A university degree and, ideally, an MBA or law degree;
- Licensed to practice before the U.S. Internal Revenue Service as an Enrolled Agent, Certified Public Accountant or Attorney;
- Strong quality risk experience relating to US Tax regulations and policies;
- A successful track record of managing the effectiveness of people, including coaching, training, succession planning and development of staff;
- Thorough knowledge of US Federal and State Tax Laws;
- Working knowledge of Microsoft Office applications, including Word, Excel and PowerPoint, ATX or Fast-Tax;
- Highly organised, dedicated and self motivated; and
- Strong presentation, verbal and written communication skills and the ability to maintain successful interactions with professional employees with varying levels of responsibility.
