Our team shares a passion for rapid innovation, creativity and a strong belief in the entrepreneurial culture which is a cornerstone of our competitive advantage.

RenRe is committed to attracting and developing the very best people who are dedicated to providing exceptional service.

SVP, Specialty Reinsurance

The successful candidate will be responsible for strategy, management, production, marketing and analysis of reinsurance, for specialty/casualty lines. The individual must have a broad specialty/casualty lines background with a focus on the reinsurance marketplace, as well as established client relationships. The ideal candidate will be a highly capable individual with a minimum of 10 years experience in the reinsurance marketplace. The successful candidate must be able to lead by example and garner immediate credibility both within the organisation and externally.

Responsibilities include:

- Develop and maintain strategic focus for specialty/casualty lines
- Manage a team of analysts and underwriters focused on specialty/casualty lines
- Review and execute entry into new classes of specialty/casualty risk
- Evaluate and price specialty/casualty lines
- Work with various data sources to derive information for analysis
- Verify and assess the adequacy of exposure information for pricing analysis
- Work with clients to determine specific requirements and subsequently structure output to address these needs
- Understand contractual provisions and issues of reinsurance contracts
- Build business relationships and develop new business opportunities from those relationships
- Develop/augment current underwriting tools as well as portfolio management tools
- Develop new product specialty/casualty solutions

Education, Skills & Experience:

- University degree preferably with an actuarial or mathematical emphasis from an accredited university
- Professional actuarial designation required e.g. ACAS
- At least 10 years' experience in a similar role, with the majority in an underwriting capacity
- Detailed knowledge of worldwide insurance and reinsurance markets
- Acknowledged ability at managing and building portfolios of specialty/casualty risk across market cycles
- Experience in structuring and pricing reinsurance programs
- Extensive industry contacts and solid business relationships within the reinsurance underwriting and reinsurance brokerage community
- Excellent reputation and a proven track record of developing strong relationships with intermediaries and clients, while retaining complete underwriting objectivity
- Proficiency in Microsoft Office suite of tools as well as additional programs such as @Risk; SQL
- Excellent analytical, communication and interpersonal skills

This is an excellent opportunity for an experienced individual who is a self starter with the ability to be productive under pressure. This is a fast-paced and rapidly changing business environment which requires an individual with an energetic and enthusiastic approach, along with maturity, self confidence and self motivation.

Interested persons should apply with Curriculum Vitae via e-mail to careers@renre.com, no later than Tuesday, July 5, 2011.
