

NOTICE

Subject to approval by the Telecommunications Commission, Bermuda CableVision proposes to:

Introduce 3 high-speed cable modems, which will be made available for sale, at landed cost plus 15%, with a 90-day warranty: The Arris Touchstone WBM760, the CM900, and the DG950

This notice is published in accordance with Section 23(2) of the Telecommunications Act 1986, as amended.

Comments or objections from any person on the above should be forwarded to the Telecommunications Commission within 21 days of this notice. Additional information is filed with, and may be viewed at, the office of the Telecommunications Commission.
