

Looking for a career in a leading edge IBM Technology Company?

BCS Agencies Ltd. (BCS) provides integrated Information Technology solutions to private and public sector clients in Bermuda. BCS is the exclusive agent in Bermuda for IBM hardware, software and services.

To enhance our status as the premier supplier of information technology solutions and services in Bermuda and to satisfy the demand created by our expanding customer base, we are looking for a special individual to join our very successful team in the following position:

Controller

The duties of the Controller include assuming responsibility for the financial, accounting and internal processing functions of the Company and reporting thereon directly to the General Manager.

Results measured include:

- Provide financial reporting and accounting compliance / integrity
- Provide leadership and support to achieve financial plans
- Manage the month-end financial closing process for IBM's Bermuda and Cayman agencies
- Financial analysis and review of results with BCS and IBM senior management
- Asset management with a special focus on cash and accounts receivables
- Management of administration and distribution functions/personnel
- Lead the effective management of business risk through ongoing attention to financial and business controls

The successful applicant will have a business (or related) degree and hold a recognized accounting certification / designation.

Applicants should have at least 7 years working experience and some demonstrated success as a manager or team leader.

Ideally, applicants should have experience with IBM or a similar technology sales and distribution business, a keen interest in information technology and excellent computer skills, including: spreadsheets, data manipulation and Lotus Notes.

BCS is an equal opportunity employer and provides a comprehensive benefits package including on-going education at IBM training centres throughout North America.

Please provide résumé in complete confidence to:

The General Manager
