

Employment Opportunities

The Elbow Beach Hotel, a 98 room cottage colony situated on 50 acres of beautifully landscaped gardens sloping down to our immaculate private beach, is seeking:

SHIFT OPERATOR

We require a mature and reliable individual with a minimum of three (3) years experience in Engineering/Maintenance trades. Applicants should hold a technical certificate in a mechanical or electrical trade. The successful candidate will be required to troubleshoot a variety of engineering issues and possess computer skills to operate a computer controlled HVAC system. The shift operator will be required to monitor machinery, equipment and energy consumption as well as monitor a variety of plant including a wastewater treatment facility and a boiler system.

The post will require the person to assist with general maintenance projects. The position requires the individual to respond to hotel guest calls and related emergencies to deal with and reinstate household electrical plumbing and entertainment systems. This position involves monthly rotating shifts 4:00pm to 12:30am and 12:00am to 8:30am and will include weekends and public holidays.
