

ACE Tempest Re
invites applications for the position of

Assistant Vice President, Actuary

ACE Tempest Re invites applications for the position of Assistant Vice President, Actuary. Reporting to the Vice President, Actuary, the primary focus of the role will be on pricing, although the successful applicant will also be involved in portfolio management and reserving functions.

Responsibilities include, but are not limited to:

- Pricing third party and affiliate (multi-line) reinsurance business, as well as retrocessional pricing
- Collecting and refining data and information for the actuarial analysis involved in reserving and pricing
- Presenting data, methodology and results of analysis to the various stakeholders and management
- Participating in the negotiation of treaty terms and review of contract wording
- Developing quarterly reserves including review of reserves for known losses and estimating potential exposures to new catastrophe events
- Analyzing loss development and trends
- Working with claims analyst on issues that impact reserves
- Analyzing portfolio aggregation and catastrophe exposures
- Preparing reports for management and financial information
- Enhancing process with new automation

The successful candidate should have:

- An undergraduate degree from an accredited university in mathematics or statistics
- 3-5 years work experience in an actuarial role
- Fellowship of either the Casualty Actuarial Society or the Institute of Actuaries
- Experience with actuarial techniques
- Advanced knowledge of Microsoft Excel, Word and Access
- Working knowledge of catastrophe models (e.g. RMS, AIR, EQE) preferred
- Strong analytical, interpersonal and communication skills
- Ability to work on his or her own initiative and in a team environment
- Ability to meet tight deadlines and work extended hours and weekends when required

Deadline for receipt of applications: Tuesday, 2 August, 2011

Written applications only with full resumé
should be sent under confidential cover to:
