

## **Financial Controller(s) - Reinsurance Division**

Enstar Limited is a wholly-owned subsidiary of Enstar Group Limited, a NASDAQ-listed company which acquires and manages insurance and reinsurance companies and portfolios in run-off.

Enstar is seeking a qualified financial professional to act as a Financial Controller for their Reinsurance clients and portfolio companies. This position will appeal to a well-organized and experienced candidate. The individual will be expected to work on their own initiative and will be required to manage projects for several of our larger clients together with internal financial reporting to senior management. The position will require meeting strict deadlines.

The successful candidate must, as a minimum, possess the following:

- CA, CPA, CMA, CGA or ACA
- Proven track record of superior client servicing and management
- Solid understanding of reinsurance accounting, claims and underwriting
- Excellent analytical and accounting skills together with advanced PC spreadsheet skills
- The ability to communicate in an effective and professional manner with both existing and potential clients

Please apply in writing, enclosing a detailed resume, by August 10<sup>th</sup>, 2011 to:
