

NOTICE

Subject to approval by the Telecommunications Commission, Bermuda CableVision proposes to:

Maintain the current rate for its Economy Tier at \$30, following removal of local broadcast channels 7 (ZFB) and 9 (ZBM) from its line up (once authorisation is received from the Telecommunications Commission to remove these channels), as CableVision has never charged its customers for this programming.

This notice is published in accordance with the Cable Television Service Amendment Regulations 2008

Comments or objections from any person on the above should be forwarded to the Telecommunication Commission within 21 days of this notice.
