

PROGRESS. PASSION. POSSIBILITIES.

KPMG in Bermuda is a firm of approximately 180 professionals delivering audit, tax and advisory services to a myriad of local and international companies, mostly in the financial services sector. Our practice is built on our professionalism, enthusiasm and the quality of the services we provide to our clients.

Advisory Practice - Assistant Managers

The advisory team can help businesses address the most complex challenges by drawing on resources and skills across its global network. We are looking for management staff to support us in maintaining our reputation as a leader in advisory services both in Bermuda and globally.

The roles will involve taking a lead in supporting a diverse portfolio of engagements involving multi disciplinary project teams. The roles will focus on assisting management teams with board presentations and deliverables, providing project management support, preparation of budgets and business plans in relations to projects, meeting planning, preparation and facilitation. These roles will give exposure to a broad range of international insurance and reinsurance companies and a challenging and diverse work environment. The successful candidates will need strong organizational skills, the ability to work with multi disciplinary project teams across a broad client portfolio and may involve working in different jurisdictions at short notice, therefore the ability to travel is essential.

Assistant Managers should have the following qualifications, skills and attributes:

- A minimum of 4 years experience in an insurance / reinsurance role, or an advisory position with a good technical understanding of insurance
- A strong knowledge of regulatory and market issues (including Solvency II) affecting the insurance/reinsurance industry
- A high degree of competence in Microsoft Word, Excel and Outlook
- First class written and oral communication skills
- Excellent interpersonal and client relationship skills.
- Be a strong team player and have good coaching skills
- A high standard of education
- Experience of working with senior management on

complex cross border engagements with a multi jurisdictional team

- A mature, self motivated individual, with strong organizational skills and the ability to multi task on a daily basis
- Candidates must be able to meet tight reporting deadlines, therefore the ability to work overtime at short notice is essential

US Tax Practice - Tax Seniors

KPMG in Bermuda provides a variety of tax compliance, planning and advisory services to the focused needs of offshore insurance companies, investment funds, international executives, and trusts. We are currently seeking individuals who are interested in long-range career growth and will excel in a high-energy work environment. Tax seniors will provide timely and high-quality U.S. tax compliance services to our clients and conduct special projects and tax research on highly specialized topics.

Tax seniors should have the following qualifications, skills and attributes:

- A masters degree in accounting or taxation
- Working knowledge of tax software and research tools such as CCH and RIA
- Ability to work in a team environment and be willing to meet tight deadlines
- Excellent organizational and verbal/written communication skills
- Have the ability to work significant levels of overtime during busy periods
