

Senior Reinsurance Accountant

Validus Reinsurance, Ltd., a Class 4 reinsurer writing predominantly short tail lines of business, is the Bermuda operating subsidiary of an NYSE listed company, Validus Holdings, Ltd.. The Senior Reinsurance Accountant is responsible for various areas, including ceded reinsurances, project management and periodic reporting.

Responsibilities will include but are not limited to:

- Ownership of ad-hoc projects in relation to the SICS, SUN and Business Objects XI systems
- Development and maintenance of reports within Business Objects XI and Excel including the completion of appropriate SOX testing
- Management and performance of data integrity controls around the SICS policy administration system
- Preparation of month end reports using Business Objects XI and Excel
- Preparation of periodic and detailed reporting to management as requested

The successful candidate will meet the following requirements:

- Current CA, CPA, ACA or equivalent designation required
- A minimum of 6 years accounting experience required in a professional environment with a minimum of 3 years post qualified in a reinsurance environment
- Expert level MS Excel skills required, including the maintenance and development of macros using the Visual Basic programming language
- Proficiency with the SICS v4.x policy management system and the SUN G/L system required
- Strong report writing skills using Business Objects XI and Vision Q&A required
- Knowledge of US GAAP and regulatory requirements required

If your experience matches the above criteria, please send your resume and cover letter highlighting your experience as relevant to the role to:
