## Financial Controller

Our client, Butterfield&Vallis, is one of Bermuda's premier food and food related distribution companies. They currently invite applications for the position of Food Service Financial Controller. Reporting directly to the General Manager of that Division, the successful individual will support not only the General Manager but also the Company's CFO in all areas of the day-to-day financial operations of the Food Service Division. This is a hands-on position and requires an individual with a "can do" attitude who thrives in a competitive and demanding business environment.

### Key Responsibilities:

- Supervisory involvement in all financial transactions including purchasing, payables, inventory receiving, costing, sales/credit notes and receivables/collections
- Internal audit function; ensure established internal control policies, procedures and standards are followed
- Reviewing daily cash receipts of CODs and payments on account.
- Managing and reviewing customer credit, accounts receivable, review of monthly customer statements, liaising with customers
- Inventory costing and margin analysis
- Annual physical inventory count and reconciliation of book to physical adjustment
- Preparation of annual operating and capital budgets and variance analysis of monthly actual results against it
- Prepare and analyze financial results of product categories/departments within Division
- Develop and analyze critical financial/operations data
- Training of staff as required

### Minimum Qualifications, Skills & Experience:

- A recognized professional accounting qualification
- Minimum 4 years relevant post qualification experience
- A self-starter; must possess the ability to work quickly and accurately with minimum supervision
- Excellent communication and interpersonal skills with proven ability to interact with a diverse range of individuals
- Proven solid organizational skills with the ability to multi-task, meet deadlines and respond to changing priorities
- Strong computer skills in all Microsoft Office products, in particular Excel
- Reliable and trustworthy; able to maintain strict confidences
