

EMERGENCE LIMITED is a unique company. We utilize the latest technologies and have certified consultants with in-depth knowledge and real world experience. Our Team has over 25 years of expertise in implementing, training, and supporting business solutions in Bermuda and other financial centers.

PROJECT MANAGER

The role of the Project Manager is to plan, execute, and finalize projects according to strict deadlines and within budget. The Project Manager will also define the project's objectives, scope and oversee quality control throughout its life cycle. This includes acquiring resources and coordinating the efforts of team members in order to deliver projects according to plan.

A University degree or college diploma in Business Administration or Computer Science is required. A minimum of 5 years experience managing medium to large ERP projects is essential. The successful candidate will have strong communications and interpersonal skills, as well as a strong familiarity with Project Management software. Certification in Project Management and/or member of a Project Management Institute is required.

Emergence is a company like few others. Along with a very strong compensation and benefits package, we provide a positive and dynamic work environment that encourages achievement and personal growth through collaboration and teamwork.
