

XL Insurance (Bermuda) Ltd, a subsidiary of XL Group, is seeking applications for the following position

Actuary

BASIC FUNCTION

Provide direct actuarial support for the Excess Casualty and Healthcare underwriting units. Work closely with the business leaders and senior actuarial management to help set and execute profitable growth strategies for the underwriting team.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Provide sound actuarial pricing guidance for large accounts including the development of loss and ROE projections
- Participate in internal and external account meetings with underwriters, brokers, and clients
- Analyze overall and segment experience and communicate results to the Underwriting management team regarding profitability, ROE projections, and targeted market segments
- Actively participate in the annual business planning processes for existing lines of business as well as provide support for new business initiatives
- Develop/maintain pricing tools for each of the various business lines
- Provide training to underwriters and clients regarding actuarial models, tools, and methodologies
- Other duties may be assigned

QUALIFICATIONS, EDUCATION and/or EXPERIENCE

- Bachelor's degree in a relevant field (e.g., actuarial science, mathematics, statistics, business, insurance) or coursework sufficient to provide necessary background
- 7 or more years of experience in commercial lines insurance or reinsurance, supporting one or more of the following product segments: Lead, Excess, General Liability, Healthcare
- ACAS or FCAS
- Interpersonal skills to work well in cross-functional team environment
- Excellent written and oral communication skills

First preference will be given to Bermudians or Spouses of Bermudians
