

Can you make a tourist smile or a bike engine sing?

We're Elbow Beach Cycles. We operate Bermuda's newest fleet of rental bikes and serve very particular guests. If you can help them pick the best, we'd love to hear from you.

Relationship manager [1 × full-time, 1 × part-time]

Your smile is infectious, your sales pitch is irresistible, and you know how to make people feel like they're getting the best deal on the island when they arrive with credit card in hand.

Full-time role

- Serve as customer-facing brand ambassador for Elbow Beach Cycles with responsibility for actively selling the Company's products
- Must utilize the YouDrive™ teaching method to train guest how to safely operate motorised two-wheeled vehicles
- Be a self-motivated decision maker with "everything-is-my-job" mentality and proven guest satisfaction record
- Supervise and support employees while ensuring service are maintained
- Work closely with the Managing Director and Team to ensure smooth operation of business
- Maintain the company's social media community
- Past experience with computerised reservations systems a distinct advantage
- Impeccable references and immaculate presentation is absolutely essential

Part-time role

- Skills and duties as for the full-time role
- Must have capacity to think beyond position
- For the right person, there's the chance to grow the position to full-time

Bookkeeper / Business analyst

You love the details of business. You believe that accuracy is equivalent to cleanliness, which is why you're never happier than when your books balance first time.

- Perform daily ledger function
- Prepare daily charges and commissions report
- Run management reports from our reservations software to obtain key financial data
- Monitor key ratios and prepare financial statements
- Advise the Managing Director based on financial reports
- Impeccable references essential

This position might be suitable for a part-time or semi-retired candidate.

Senior certified mechanic

Could you keep Bermuda's newest bike fleet on the road?

You have an unbeatable mechanical knowledge, a thirst for perfection, and the enthusiasm to lead a team to match your own high standards.

- Internationally recognised certification in motorcycle / scooter maintenance: City and Guilds, ASE, MMI, UTI or equivalent
- Thorough understanding of two- and four-stroke engines, scooters and moped mechanics, and high-performance vehicles
- Track record of results-driven team leadership and ability to run a workshop to exacting operational and safety standards
- Computer-literate (include Microsoft Office) as well as good literacy and numeracy skills
- At least 15 years' experience of busy workshops and managing group (and personal) work flows
- Documentary evidence of quantifiable business improvements and client satisfaction in similar positions
- Knowledge of spare parts inventory management and velocity of parts transactions management
- Non-smoker who possesses "clean" valid driver's licence

Certified mechanic

You know what works and you won't stand for second-best. You want every bike you work on to be a standard bearer for your skills.

- Internationally recognised certification in motorcycle / scooter maintenance: City and Guilds, ASE, MMI, UTI or equivalent
- Thorough understanding of two- and four-stroke engines, 50cc scooters
- Ability to work as part of a team and to excel under pressure
- Results-driven and meticulous quality of work
- At least 5 years' experience of working with a results-driven team

The company

Elbow Beach Cycles is a quality service leader in the scooter and moped rental business in Bermuda. We work 365 days a year and often late into the night. There's shift working, but plenty of variety and the satisfaction of maintaining the finest fleet on the island. Competitive salaries commensurate with experience and performance.

Elbow Beach Cycles does not discriminate on the basis of race, gender, religion, sexual or other preference. We encourage team members to excel and to develop their talents. We also operate a vigorous drug-free workplace policy.

Apply now

Apply in writing by email to jobs@elbowbeachcycles.com or by fax to 011.44.207.990.8808

Send us your CV and a handwritten cover letter saying why you'd be good for this position. Don't forget to tell us which position you're applying for, and what your reasonable salary expectations are. Anyone who appears at Elbow Beach Cycles to present their application without the express invitation of the Managing Director will be automatically disqualified from the applications procedure.
