

ACE Tempest Life Re
invites applications for the position of

Senior Actuarial Associate

ACE Tempest Life Reinsurance Ltd. has an immediate vacancy for a Senior Actuarial Associate, reporting to Senior Vice President and Chief Actuary. The Senior Actuarial Associate will be a key member of a dynamic team responsible for risk management of life and annuity reinsurance business. Primarily focus is on risk management of variable annuity guaranteed benefits.

Responsibilities of the position include, but are not limited to:

- Analysis and reporting of risk components through development and maintenance of stochastic simulation models
- Support other aspects of the life reinsurance business, including financial modeling, pricing, experience studies, and performing sensitivity testing

The successful applicant must possess the following:

- Associate of the Society of Actuaries or near-ASA;
- Approximately 4 years of relevant actuarial experience in an actuarial role in the U.S. life (re)insurance markets, including a minimum of 3 years of experience working with variable annuities;
- Expertise with computers, modeling and Excel spreadsheets a must, with knowledge of MoSes and/or Barrie & Hibbert highly desirable.

In addition, the applicant should possess the following:

- Capital markets knowledge and/or experience (at least one year) – familiarity with Bloomberg, CFA designation a plus;
- Familiarity with stochastic modeling and economic scenario generators, via work experience or education;
- Strong communication skills;
- Genuine aptitude for working independently in a small team environment; and
- Ability to meet tight deadlines.
- Successful applicant will be able to work extended hours and weekends when required.
- Job level will depend on successful applicant's relevant experience.

Deadline for receipt of applications: Friday, 23 September, 2011

Written applications only with full resumé
should be sent under confidential cover to:
