

Happy 10th Anniversary, Michael

I LOVE YOU

*Ten years ago
On a day like this
We promised our love
Sealed with a kiss.
Though times have been challenging
Even downright rough,
Together we held firm, our love is tough.
Now we know that its real,
Its been tested and proven true
We can trust in what we feel
This love between me and you.*

I LOVE YOU! ALWAYS AND FOREVER!

Your Wife, Gina
