## **Solar Bermuda Homes**

'Living Green Begins at Home.'

Rare opportunity to purchase a 3 bedroom, 2 ½ bathroom condo in a small friendly community in the east end. These units have just been completed, and are powered by solar energy to virtually eliminate your utility bill! Well designed with plenty of storage space and top quality finishes and appliances, including dishwasher, microwave and full size washer and dryer. Reverse cycle air conditioning, ensuite master bedroom, tiled throughout, gorgeous views of Harrington Sound and beautiful gardens. Very close to beach, gym, grocery store, schools and churches. A \$5,000 gift voucher for furniture at the store of your choice will also be provided to the purchaser of this unit! All for only \$785,000. Please contact [info@owccontracting.com](mailto:info@owccontracting.com) or 292-6922.
