

Director – Corporate Restructuring & Insolvency

At PricewaterhouseCoopers (“PwC”) Bermuda you will be challenged by the work we do, and the environment in which our clients do business. Your ideas will be valued and your individuality will be recognised. We encourage you to consider a career in our dynamic environment and allow us to help you realise your goals.

PwC Bermuda has an exciting opportunity for a Corporate Restructuring and Insolvency Director to join our Financial Advisory Services (“FAS”) team, providing services to protect and un-lock value for stakeholders and their professional advisors within the local market and on an international basis.

The Role:

You will be responsible for managing a complex case portfolio and for the further development of this practice area. Specifically you will:

- Manage projects to assess options and develop strategies to protect value and maximise recovery when faced with financial difficulties;
- Plan, structure and implement complex formal restructuring assignments or insolvency procedures, often on an international basis;
- Taking formal Court or other creditor/debtor sanctioned appointments (Liquidator or Receiver) on a joint appointment basis, as well as acting on Schemes of Arrangement and other formal restructuring mechanisms;
- Provide leadership within a dedicated restructuring and insolvency team, working closely with other Advisory specialists within PwC Bermuda and other international offices; and
- Be responsible for risk and quality processes and for the development of junior staff.

Essential Skills and Expertise:

The successful candidate will have a minimum of 10 years experience working at a senior level in the corporate restructuring and insolvency team of an international professional services firm and hold a designated insolvency qualification.

The following characteristics are also required:

- Substantial knowledge and experience of restructuring and insolvency work incorporating corporate liability management and exit solutions for discontinued insurance/reinsurance business and investment funds;
- Ability to work on complex assignments under pressure within a team of professional advisors and to manage several ongoing projects simultaneously, often to tight deadlines; and
- A high level of organisational and interpersonal skills with excellent verbal and written communication skills (English).

Interested candidates should apply in writing, including your resume to:
