## Assistant Technical Accountant

Our client, Catlin Insurance Company (CICL), a member of the Catlin Group of Companies, is a substantially capitalized Bermuda insurer and reinsurer whose principal operating affiliate is a leading Lloyd's of London underwriting company. CICL has been assigned an A (Excellent) Rating by A.M Best Company. The purpose of this role is to provide support to the finance team.

### **Reporting to the Senior Finance Manager this role will assist in the following areas:**

- Preparation of the monthly and quarterly technical reinsurance data
- Reconciliation of the technical reinsurance data from the insurance ledger and the GAAP System to the general ledger
- Preparation and analysis of the technical reinsurance data
- Production of the monthly underwriting reports
- Documentation of internal control policies and procedures for the technical data
- Preparation of the financial and statutory statements

### **Minimum Qualifications, Skills & Experience:**

- Post secondary education preferred plus bookkeeping certification or equivalent
- 2-3 years' experience working in the Insurance/Reinsurance industry
- Excellent interpersonal and problem solving skills
- Proven ability to work well under pressure and meet tight deadlines
- High attention to detail with exceptional analytical skills
- Proven strong computer skills in Microsoft Word, Excel and PowerPoint
- A flexible and reliable approach
- A team player

To apply please send your resume to [bdajobs@expertise.bm](mailto:bdajobs@expertise.bm) or apply online at [www.BermudaJOBS.com](http://www.BermudaJOBS.com)

All enquiries will be dealt with in strict confidence

Closing date: October 18, 2011
