

TOPS Ltd. is a recognised leader in office supplies and business products. We provide innovative digital printer, copier and facsimile solutions to businesses throughout Bermuda. TOPS is the authorised dealer for Konica Minolta digital copiers/printers, Panasonic and Brother fax machines, laser printers, LCD projectors and shredders. TOPS invites applications.

---

## Service Technician

We require a service technician to join our service department to support our complete range of business machines. The ideal candidate must demonstrate or possess the following:

- Minimum 3 years of experience in servicing digital copiers, including all aspects of connecting copier/printer/scanners to the network.
- Ability to organise and prioritise work in an efficient manner and work well under stress and time pressures
- Ability to work under minimum supervision, be a self-motivated individual and demonstrate initiative
- Willingness to work evenings and weekends upon short notice
- A certified diploma in electronics from an industry-recognised institute

Remuneration will be based on the candidate's experience and performance. Our benefits package includes major medical, dental, long-term disability benefits, life insurance, pension plan and profit sharing.

---

Applications will be dealt with in strict confidence and interested candidates can apply in writing or via email to:
