

TOMORROW'S VOICES

BERMUDA AUTISM EARLY INTERVENTION CENTRE

This Autism Early Intervention Centre specializing in Applied Behavior Analysis/Verbal Behavior Therapy for children under the Autism Spectrum is looking for staff to be a part of this landmark facility for Bermuda. The following is the job description for which we are accepting applications. A minimum of 2 years commitment is required for this position.

ASSISTANT VERBAL BEHAVIOR THERAPISTS

The Assistant Therapist will be responsible for assisting the Senior Verbal Behavior Therapists & Verbal Behavior Therapists, carrying out daily hands-on one-on-one therapy to children with autism or other developmental disabilities, and will report to the Centre's Director. Experience working with children with autism or disorders under the autism spectrum is preferred. Knowledge of Applied Behavior Analysis/Verbal Behavior Therapy is a definite asset. Must be energetic, patient, be able to take directions, and work well in a team environment. Must be creative and enjoy working with young children and their families. Must be able to work independently at times and have good interpersonal skills. Successful candidates must be able to implement behavioral strategies with special needs children and their families within the Centre, home, community and school environments.

JOB REQUIREMENTS

- Associate's degree in psychology, special education, early childhood education, teaching or equivalent (Bachelor's degree preferred).
- Prior Hands-on experience working with children with special needs.
- Must have exceptional play skills, be highly motivated, energetic and enthusiastic while interacting with children with special needs on a daily basis.
- Excellent interpersonal skills.
- On the job training will be provided.

Suitable candidates should forward their resume and at least two written references to the below address. **ONLY SERIOUS APPLICANTS SHOULD APPLY.**
