

## Systems Administrator

***Comada is seeking an experienced systems administrator to be based in Bermuda and join its global infrastructure team.***

Comada is an award-winning provider of enterprise financial software applications to institutional investors in hedge funds and other alternative investments. The group's products M.A.T.ware, M.A.T.share and M.A.T.invest are developed within Microsoft's ASP.Net framework.

The role includes assisting in the maintenance of the group's internal systems as well as support of client related issues and aid in designing, implementing and maintaining a backup and anti-virus strategy.

### **Required skills and attributes include**

- A good understanding of PC hardware set-up and configuration.
- Experience with using and troubleshooting Microsoft Office with emphasis on MS Outlook, MS Word, MS Excel and MS PowerPoint.
- A strong knowledge of Microsoft based operating systems with emphasis on Windows Vista / Windows 7, Windows 2003 Server, Windows 2008 Server.
- A strong knowledge of the following server systems:- Microsoft's SQL Server 2008 or later, Microsoft Team Foundation Server 2010, ISA 2006 and ASP.NET 2.0 or later
- Hands on knowledge of the procedures used in the installation, modification, maintenance and repair of IT hardware and software.

### **Well qualified candidates will demonstrate**

- Basic SQL Server Database Administration experience.
- Some experience of Transactional SQL and stored procedures.
- Practical experience in managing the internal and external Microsoft SQL database security.
- Basic understanding of authentication and virtualization
- Basic experience of designing and maintaining Microsoft SQL Reporting Service administration and reports.

Comada offers attractive remuneration commensurate with experience and the opportunity to work in a contemporary, collegial environment. The successful candidate will work within and contribute to the team. Communication, collaboration and adherence to Comada's standards are essential for the team member to be successful.

Applications will be handled in the strictest confidence and if interested you should apply with a detailed CV to:-
