CLINICAL QUALITY AND UTILISATION AUDITOR

QUALITY & RISK MANAGEMENT DEPARTMENT

BHB ensures the highest in quality health care through service excellence, education and leadership. We seek qualified, highly motivated, and experienced professionals to work in a supportive but demanding environment.

Key Responsibilities include:

- Plans, designs, implements and evaluates audits of clinical systems, processes and outcomes which includes the development of ongoing strategies for process improvement for multiple audits simultaneously
- Identifies specific services that are over-utilised or under-utilised and promotes increased efficiencies by determining process and other related issues impeding patient flow through the provision of appropriate data analysis
- Acts as a resource to all clinical and medical staff as well as coders in addition to providing feedback to this group and senior management on relevant issues and concerns identified through reviews and audits performed
- Analyzes, prepares and presents reports to the VP of Quality & Risk Management that identify current and trending data which can be applied to support strategic improvement within the services
- Produces other written and verbal reports and summaries of clinical data analyses for review and use throughout the organisation
- Collect and analyze discharge outcomes and variances related to length of stay and deviation from clinical pathways of care or care maps

Qualifications & / Registration required:

- Bachelors Degree in Nursing or equivalent and a minimum of 3 years experience in a clinical setting
- Previous experience in data analysis and quality management essential along with knowledge of the accreditation process
- Registration with the Bermuda Nursing Council or other appropriate registration body
- Must have above average statistical analysis skills and the ability to deal with large volumes of data
- Advanced Microsoft Office 2007 skills with proficiency in the use of Excel
- Certified Professional in Healthcare Quality (CPHQ), Certified Quality Auditor (CQA) or equivalent recommended
