

ATTORNEYS' LIABILITY ASSURANCE SOCIETY (BERMUDA) LTD.

Attorneys' Liability Assurance Society (Bermuda) Ltd. ("ALAS Ltd.") is a mutual insurance company that was established in 1979 and provides reinsurance with respect to the professional liability insurance of more than 230 law firms. ALAS Ltd. invites applications for the position of:

Actuarial Analyst

Responsibilities will include:

- Assisting with various actuarial analyses
- Evaluating the pricing of reinsurance offered to our U.S. affiliate
- Evaluating the pricing of retrocessional coverage
- Developing and analysing data used in loss reserving
- Assisting with capital modeling

Qualifications, skills and experience:

- Successful completion of at least three examinations with a recognised professional actuarial organisation (CAS or SOA)
- Bachelor's degree in actuarial science, mathematics or other relevant field of study
- Strong computer skills with proficiency in Excel as a minimum
- Strong analytical skills
- Excellent interpersonal, communication and organisational skills
- Minimum of three years of analytical or actuarial work experience preferred. Casualty insurance industry experience would be an advantage.

The successful candidate will be required to work overtime periodically, and will possess initiative, enthusiasm, creativity and the ability to effectively and efficiently develop and analyse information.

First preference will be given to Bermudians or spouses of Bermudians.

Interested applicants should send their résumé with references, in complete confidence, to:
