

ENVIRONMENTAL ENGINEER

iEPC Limited and its parent company, inVenture Limited, are both wholly-owned subsidiaries of Ascendant Group Limited. iEPC Limited is pleased to invite applications from suitably qualified and experienced individuals for the position Environmental Engineer.

Job Description:

- ◆ Manage engineering projects and assist in the development and the implementation of Standard Operating Policies and Procedures
- ◆ Participate in the technical aspects of key company projects, continually bringing leading edge solutions for environmental issues
- ◆ Ensure compliance with local and international environmental legislation and regulations and with EMS ISO 14001
- ◆ Keeps abreast of current local and international environmental engineering standards, trends, technologies and makes appropriate recommendations
- ◆ Support training and development of employees
- ◆ Liaise with colleagues, consultants and vendors to discuss or resolve environmental issues.
- ◆ Provide engineering and technical advice

Required Education and Experience:

- ◆ Bachelor of Environmental Engineering or equivalent
- ◆ Registered as a Chartered or Professional Engineer
- ◆ At least 5-8 years of utility related experience in process and environmental engineering projects and development
- ◆ In-depth knowledge of: local environmental legislation and regulations and working knowledge of Health and Safety legislation and regulations; environmental policies and procedures, and EMS ISO 14001
- ◆ Best industrial practices related to environmental engineering projects with specific reference to international standards of specifications and technological trends
- ◆ Strong technical, problem-solving and analytical skills, as well as interpersonal and communication skills. Proven ability to coach
- ◆ Must be highly motivated, flexible and a team player
- ◆ Must be able to complete projects within key performance indicators and with minimal supervision

iEPC Limited is a drug and alcohol free environment, and as such, requires all successful applicants to successfully pass a pre-employment drug and alcohol screening prior to an offer of employment.

Application deadline: Friday, 4 November, 2011
